Dear Parent/Carer

We have prepared this guide to provide you with a wide range of information and advice to help you when it is time for you to complete and submit your application for a school place for your child.

For further information about the schools themselves, the number of places available, the admissions criteria and how places have been allocated previously for each school, please read the booklet ‘Sefton Primary & Secondary Schools Admissions Information 2020-21’ which is available at www.sefton.gov.uk/admissions

Sefton Council is determined to ensure that all children and young people have the opportunity to fulfil their potential whatever their background and we work in partnership with schools, children, young people and their families to help achieve this.

I hope you will find this Parents Guide and the School Admissions Information booklet useful, and I would recommend that you name three schools on your application and that you use Sefton’s online application process to apply for your child’s school place.

Please also take the opportunity to contact and visit schools for more information and to help you decide which three schools you would like to apply for.

If you have any questions or need any more information or advice, please do not hesitate to contact the Admissions Team (contact details can be found below).

If you live outside of the Sefton area please contact your home Local Authority for more information and advice on how to submit an application, even if you wish to apply for a Sefton school(s). Contact details for neighbouring Local Authorities can be found on page 15 of this booklet.

Sefton residents should complete an online application via the Sefton website, please see further details on the next page. You can name any school on your application whether the school is within the Sefton area or not.

Yours sincerely

Mike McSorley
Head of Schools and Families

SECTION A

Key Information

Starting Primary School
Children start primary school in the September after the child’s 4th birthday. Children whose birthdays fall between 1 September 2015 and 31 August 2016 will start primary school in September 2020. However, a child is not required by law to start school until the start of the term after their 5th birthday. The dates set for the Autumn, Spring and Summer terms are 31 August, 31 December and 31 March.

Deferred Entry If your child is offered a place in Reception but is not 5 until later in the school year, you have the option to defer starting school until the term in which the child reaches compulsory school age (age 5). If you wish for your child to defer starting school until later in the academic year, you must still make an application in the normal way this year.

Once you have been offered a school place you should make arrangements to defer entry directly with the Headteacher of the school. The place offered to your child would be reserved until they start later in the year.
You may choose to continue with Nursery provision until later in the year but MUST take up the school place allocated before the end of the summer term.

- A child is 5 in October 2020 – they can defer starting school until the beginning of term in January 2021.
- A child is 5 in February 2021 – they can defer starting school until after Easter 2021.
- A child is 5 in August 2021 – they can defer starting school but must start before the end of the Summer term and then move up to year one with their age group.

Admission of Children outside of their normal age group
As a rule all children must start Primary School during the academic year that they are 5. In some exceptional circumstances parents/carers may request that their child is admitted outside of their chronological age group as a request for delayed entry to starting school.

Delayed Entry Parents of a summer born child (born between 1 April and 31 August) may request that as part of the usual application process that their child does not start school until the September following their 5th birthday. The Admissions Authority will consider applications on an individual basis taking in to account the views of the parents, advice from any professionals already involved with the child and the needs of the child. If a decision is made to approve delayed entry, the child is permanently moved back a year from their chronological age group and may remain in the new age group throughout their school life. Further information and an application form are available in our advice sheet and application process for parents of ‘Summer born children’. Please contact the School Admissions Team for details.

Twins/Multiple Births (Primary & Secondary Schools)
Twins or children from multiple births will be considered in the same way as all other applicants having the admissions criteria applied to each application.

In circumstances where one of the siblings has been allocated the last remaining place at a school the other sibling(s) will also be admitted. If the children are of infant age, they will be admitted as excepted children so that infant class size legislation is not breached. This will also be applied to all applications made during the academic year.
SECTION A

Key Information

Starting Secondary School
Children transfer from primary to secondary schools in the September after their 11th birthday. Children whose birthdays fall between 1 September 2008 and 31 August 2009 will start secondary school in September 2020. Children who are born on dates outside this period can only be considered in exceptional circumstances or where a child has pre-approved delayed entry to primary school and therefore will not commence secondary school until they are 12.

Arrangements for children with Special Educational Needs
In accordance with the Special Educational Needs Code of Practice it is anticipated that the majority of pupils with special educational needs will be able to have their needs met within their local mainstream school.

In addition to this, within Sefton, some mainstream schools have specialist resourced provision for pupils with additional needs. There are also a number of Special Schools that cater for pupils with more complex needs. In general, an Education, Health and Social Care Needs Assessment, in line with the Education Act 1996, would need to be carried out for a child likely to require a specially resourced or special school placement. The views of parents and where appropriate, the child, are taken into account during the assessment. Detailed information can be found online at www.sefton.gov.uk/localoffer

You can also get further information from: Assessment, Resource and Provision Planning Team, Ainsdale Hope Centre, Sandringham Road, Ainsdale, PR8 2PJ. Telephone: 0151 934 2347 Email: special.needs@sefton.gov.uk

All Sefton Schools will meet their legal obligation to admit a pupil who has an Education, Health and Social Care Plan where the school is named in the plan.
You can get impartial advice and support on special educational needs issues from Sefton Special Educational Needs and Disability Information Advice and Support Service (SENDIASS).

SECTION A

Sefton Local Authority’s Co-ordination of Admission Arrangements

The Education Act 2002 requires all local authorities to have a co-ordinated admissions scheme which includes all schools within the Local Authority Area. This will ensure that every parent will receive one offer of a school place on the same day (2 March national allocation date for Secondary schools and 16 April national allocation date for Primary schools). The Local Authority co-ordinates the admission arrangements using an Admissions Application process whereby parents can express three preferences for schools, in their preferred order, and reasons for those preferences if they wish.

Sefton Administers an Equal Preference Scheme agreed by all Sefton Schools

All preferences expressed for a Sefton school on the admission application form will be considered equally. This means that your child will be considered for a place at each school named on your application using the individual admissions criteria for that school irrespective of whether it is your 1st, 2nd or 3rd preference on the application form. Your application is then ranked against the admissions criteria for each school.

Examples of how equal preferences work - child is ranked using the admissions criteria

**Primary School Example:**
- Preference 1: School A – 30 places
  - Child's rank 25
- Preference 2: School B – 60 places
  - Child's rank 34
- Preference 3: School C – 30 places
  - Child's rank 12

**Secondary School Example:**
- Preference 1: School A – 150 places
  - Child's rank 165
- Preference 2: School B – 180 places
  - Child's rank 154
- Preference 3: School C – 135 places
  - Child's rank 103

**Child Allocated School A**
This child is eligible for all three schools. In this case, the child would be offered School A, because it is the highest of the three preferences.

**Child Allocated School B**
This child is not eligible for School A (their first preference) as they are ranked outside the number of places available. They are eligible for both School B and School C. They would be offered School B as it is a higher preference.

If you are allocated your highest preferred school, all other lower preferences are disregarded as you can only be offered one place.

If you name only one school on your application form and it cannot be offered to you, Sefton cannot automatically consider you for any other schools in your area as you have not named them. You will be allocated a place at the nearest qualifying school to your home address with a place still available after other preferences have been considered first. This may be a school that is further away from your home.

Where to get information and Admissions Criteria for Sefton Schools

Information relating to all Sefton schools is included in the ‘Sefton Primary & Secondary Schools Admissions Information 2020-21’ booklet which is available (along with links to individual schools) at www.sefton.gov.uk/admissions. The booklet also includes information for Sefton Local Authority Nursery schools, School Sixth Form Admissions, and Admissions for Year 10 entry to other education establishments.
The table below sets out who is the Admissions Authority for each type of school within Sefton, and indicates who is responsible for arranging an Admission Appeal hearing against the refusal of a school place.

Making your preferences and completing your application for a school place

Make sure you read the booklet ‘Sefton Primary & Secondary Schools Admissions Information 2020-21’ which will give you:

1. All the details you require about each school in Sefton
2. The admissions criteria for each school which will be used if there are more applications than places available
3. How many applications have been offered places at each school, under each admission criterion, in previous years
4. Please complete the checklist - Things to Consider on page 11
5. Apply online using the ‘Citizen Portal’ available at www.sefton.gov.uk/admissions

Admissions Online Application System

The online system is quick and easy to use, there is no risk of your application being lost in the post. You can change your application up to the closing date and you will receive confirmation via email that your application has been started or changed. However, in order to ensure your application is received by us, you must resubmit it each time you make a change, and before the closing date.

You must choose ‘submit now’ for your application to be received by the Local Authority

You will receive confirmation that your application has been submitted via email. If you tick the relevant box within the online application, you will also receive your offer by email. This must be ticked in order to receive your offer by email, even if you have applied online.

In order to receive your offer, please ensure your email address is a personal email address and it is up to date.

If you do not have access to the internet, we can provide you with a paper copy of the booklet and a paper admissions application form. Please contact the School Admissions Team on 0151 934 3590 to request this. If you submit a paper application form to a Primary school please ensure you receive an official receipt from the school for the form. Otherwise, you must return your completed paper application form to Sefton School Admissions Team by the deadlines shown on pages 5 and 6.

• When you make your application, we ask you to name up to three schools you would like your child to attend. You should list these in the order you most prefer – these are your preferences.

• We strongly advise you to name more than one school. This is so the Local Authority can consider other preferences which may be acceptable to you, if it is not possible to offer your highest preferred school. If you name only one school on your application and it cannot be offered to you, Sefton cannot automatically consider you for any other schools in your area and you will be allocated a place at the nearest qualifying school to your home address with a place still available after other preferences have been processed. This may be a school further away from your home.

• We can only offer places at any school up to the school’s individual published admission number.

• Please do not repeat the name of one school on your application as this will not improve your chances of getting a place. Neither will naming only one school three times.

• If you live in Sefton and we cannot offer your child a place at any of your preferred schools, we will allocate your child a place at the nearest qualifying school to your home address with a place available. In the case of Catholic children, if there are places available, it will be the qualifying Catholic Voluntary Aided School, which serves the Parish in which you reside. If you do not live in Sefton and we cannot offer your child a place at any of your preferred schools, we will refer you to your own local authority, who will be responsible for allocating your child a place at a school in your area.

• If you reside in Sefton and do not submit an Admissions application on time, we may not be able to offer your child a place at your preferred school.
SECTION A

Voluntary Aided Faith Schools – Supplementary Information Form (SIF)

- In addition to completing the Local Authority Admission Application process, you will also have to complete a Supplementary Information Form for each Voluntary Aided or Academy Faith school you have listed as a preference on the application. **It is very important that you do both.** If you only complete the Local Authority application, your application cannot be fully considered by the relevant faith school.

- You should contact the Voluntary Aided School to obtain a Supplementary Information Form and the completed form should be returned to the school direct. Alternatively, you may be able to download a form from the relevant school’s website.

- The Governing Body of the school uses the information on the Supplementary Information Form to apply their admissions criteria. The information you give on the form helps the Governors to assess under which criterion your application will be considered, e.g. Baptised Catholic living in Parish.

If you have any questions, please remember that we will help you if you are not sure about completing an application. If you need any help or advice please contact the School Admissions Team for assistance.

Home Address

- It is essential when submitting your application, that you give the correct **permanent home address.** This must be where the child and parent or carer with legal responsibility lives. You should not give the address of a relative or childminder or a temporary address.

- **We may require proof of the address given,** and you will be contacted directly if this is required. The Local Authority also reserves the right to request further proof of an address as fit the individual circumstances. If it is found that a false address has been used to secure a place, we can withdraw the place that was offered to your child on the basis of a fraudulent or intentionally misleading application.

- The address you give us should be your child’s current home address. This applies even if you might move house, at a later date (see moving house on page 14).

Please note that if we have written to you requesting documentary evidence of your child’s address and we do not receive a response, we will not be able to consider your request from an unconfirmed address.

Where a child lives with parents who have shared responsibility

- In the cases where a child lives with parents who have shared responsibility and the child’s time is split between two homes, the home address used will be that which is directed by the court or the address where the child lives for the majority of the school week. The Local Authority reserves the right to request further proof, in order to establish the home address, as fit the individual circumstances.

- In cases where parents are separated and both have retained joint responsibility, an application form will be accepted from the parent with whom the child primarily resides. The Local Authority has an obligation to process an application form that has been signed and submitted by a parent stating that they have parental responsibility. **The Local Authority cannot release information or intervene where disputes or disagreements arise between parents in relation to any proposed or submitted application for a school place.**

- We can only process applications from one address. If your child lives at a different address from you or with another parent/carer from Monday to Friday, please provide the Parental Responsibility Order or Residence Order for the person the child lives with.
Moving House

- You must still apply from your child’s current home address before the national deadlines.
- We will consider the change of address if we receive it by the deadline for changes to existing applications with proof that you have moved (the deadlines are shown on pages 5 & 6).
- We will not take into account the fact you are moving to another address without a solicitor’s letter confirming that contracts have been exchanged and signed on the property or that you have a long term tenancy of at least 6 months, together with evidence that you are residing at the property.
- The evidence of house purchase (exchange of contracts) or long term tenancy, and independent evidence which confirms you are residing at your new address, must be received by the Local Authority by the deadline for changes (shown on pages 5 & 6) or we will not be able to take the new address into account for allocation purposes.
- You will also be asked to provide evidence of the disposal of your previous property where there is any uncertainty or dispute relating to the Local Authority establishing one permanent home address for the purposes of allocating a school place.

Requests due to changes of address that we receive after the deadline for changes, but before the national offer day, will be dealt with after the national offer day, along with any other requests in the date order that they are received.

Children of UK Service Personnel (UK Armed Forces)

For families of service personnel with a confirmed posting or crown servants returning from overseas, the Local Authority will accept the posting or return address in advance and allocate a school place (where there is a place available) prior to the family arriving. An official letter from the Ministry of Defence will be required declaring relocation date and address.

Places in schools outside of Sefton

Most pupils that live in Sefton will usually want to go to a school within Sefton. However, you may apply for a place for your child at a school outside Sefton, particularly if you live near a boundary with another Local Authority. If you wish to apply for a school outside Sefton, please include it on your Sefton admission application form. Sefton will automatically send your application details to the Local Authority where the schools are located, for them to process it in line with their co-ordinated admission arrangements.

If you have expressed preferences for schools in more than one Local Authority area, those authorities will co-ordinate the results once the decisions have been made. If more than one Local Authority can offer a place, the highest preferred school on the individual admission application will be offered. Wherever possible, within the timescales before the national offer days, authorities making a lower offer will withdraw their place.

If you want to appeal for a higher preferred school, which has not been offered, you may do so.

You should contact the School Admissions Team of the appropriate Local Authority for more details.

Contact details for neighbouring Local Authorities can be found on page 15.

Other Local Authorities may have different timetables for processing applications. It is important to check carefully how their procedures may affect you. If your child is given a place in a school outside of Sefton, we will not necessarily pay their travelling costs. See Section B, ‘Home to School Transport Eligibility and Arrangements’.
Pupils who live outside Sefton and want to go to a school in Sefton

If you live outside Sefton and you want to apply for a place at a Sefton school, you must complete the online application via the website for your own Local Authority (or the paper form supplied by your own Local Authority). You should name the Sefton School you wish your child to attend on the form, and return it to your own Local Authority. Your application will then be automatically forwarded by your home Local Authority to Sefton.

SECTION A
How Sefton Processes your Application

How Sefton works out which school to offer your child

Using the co-ordinated equal preference arrangements, each school you list on your application is considered as a separate application.

- The Local Authority Admissions Team uses a specialist computer system that allows the Local Authority to apply the admissions criteria to applications naming Community, Voluntary Controlled, Secondary Academy Schools and some Primary Academy Schools.
- The computer system also allows the Local Authority to administer the admissions criteria that have been applied by the Governors of Faith Schools, who are their own admissions authorities.
- The computer system co-ordinates this information for each school you have listed on your application form to ensure that each child is only offered one place.
- If we can offer your child a place at more than one of the schools you listed, we will offer you the one that was highest on your application form.
- We will repeat these steps until every child has been offered a place at the highest possible school.
- If we can only offer your child one of the schools listed on your application, that is where we will offer your child a place.
- If we cannot offer you any of the schools you listed, we will allocate your child a place at the nearest qualifying school with a place available.
- If a school has more places available than the number of applications received, all children would be offered a place at that school.

Making Changes to Applications/Late Applications/Waiting Lists

Changes of Preference

Once parents have submitted their application by the closing date, the Local Authority will not allow them to be changed without a genuine reason for doing so, for example, if the family has recently moved address, and provided the relevant evidence of one new permanent address.

For families moving into or within the area, we will consider their application if we receive it by the deadline for changes and they provide proof that they have moved and are residing at their new address and that the previous property has been relinquished (deadlines for changes are shown on pages 5 & 6).

For any other changes in circumstances, or change of preferences for applications already submitted, the requested change will only be considered if we receive details by the deadline for changes (deadlines for changes are shown on pages 5 & 6). If a request is received after that date it will not be possible for us to deal with them until after the national offer/allocation dates, at which time they will be dealt with in the order of the date the request was received by the Local Authority.

Late Applications

The national closing dates for Primary and Secondary applications are shown on the tables on pages 5 and 6. We expect all Sefton residents to have submitted their applications by that date.

If parents apply after the national closing dates the Local Authority may still be able to consider the application providing we receive the application before the deadlines for changes (see pages 5 & 6).
For families moving into the area after the national closing dates, their application will still be considered if it is received before the deadline for changes with proof that the removal has taken place (for further details see page 14).

For late applications or late changes that are received after the deadline for changes but before national allocation dates, they will be processed after the allocation of places has been completed (for either the 2nd March or 16th April offer days) and in the date order they are received by Sefton Local Authority. All late applications and late changes will have the school admissions criteria applied to them, in the normal way. The processing period for these applications will be dependent on the number of late applications/changes received.

For late applications or late changes that are received after the national allocation dates, they will be processed in the date order they are received by Sefton Local Authority. All late applications and late changes will have the school admissions criteria applied to them in the normal way. The processing period for these applications will be dependent on the number of late applications/changes received.

Any late applications naming a Voluntary Aided school, that are received after the closing dates, will be forwarded to the school stating that the application has been received late. The individual admission authority must then decide how it wants to respond to the application.

**Waiting Lists for Secondary Schools**

If you have not been successful in obtaining a place at a Secondary Academy or Community School you expressed as a higher preference than the school you were offered, your child’s name will automatically be placed on the waiting list, only until the deadline for submitting appeals which is **27 March 2020**. We will keep the waiting lists in order of the individual school’s admissions criteria. If a place becomes available, we will offer it to the next child on the list.

For those allocated a place on 2 March, only those children for whom an appeal has been submitted, by the appeals deadline, will remain on the waiting list.

If you do not submit an appeal you will not be included on the waiting list after **27 March 2020**.

**NB:** At any time, new applicants can be added to the waiting list and they must be placed on the list in priority order, using the school’s admissions criteria. This means that waiting lists may change because of house moves, late applications or children accepting places at alternative schools.

We will keep the waiting list until the end of the Autumn Term 2020.

The Governing Body of a Voluntary Aided school & St Michael’s CE High School may maintain a waiting list for their school. Further details are available from the individual school.

After 1 September 2020 if a place becomes available, the applicant at the top of the waiting list will be contacted and offered a place. If the place is not accepted within 7 days, the child will be removed from the waiting list and the place offered to the next child on the waiting list.
Waiting Lists for Primary Schools

If you have not been successful in obtaining a place at a Primary school you expressed as a higher preference than the school you were offered, your child’s name will **automatically** be placed on the waiting list whether you submit an appeal or not. This is implemented in Sefton and is different than secondary schools as there are limited rights at appeal for parents of infant age children due to infant class size legislation. We will keep the waiting lists in order of the individual school's admissions criteria, and if a place becomes available, we will offer it to the next child on the list.

**NB: At any time, new applicants can be added to the waiting list and they must be placed on the list in priority order, using the school's admissions criteria. This means that waiting lists may change because of house moves, late applications or children accepting places at alternative schools.**

We will keep the waiting list until the end of the Autumn Term 2020.

The Governing Body of a Voluntary Aided Faith school (including some Faith Academy schools) may maintain a waiting list for their school. Further details are available from the individual school.

**After 1 September 2020 if a place becomes available, the applicant at the top of the waiting list will be contacted and offered a place. If the place is not accepted within 7 days, the child will be removed from the waiting list and the place offered to the next child on the waiting list.**

Admission Appeals Information - Applications for Secondary School (Year 7)

Community and Academy Schools
If you have a child transferring to a Secondary school at the age of 11, either Sefton, or your home Local Authority, will offer your child a place at one Secondary school. If you are refused a place at any of your preferred school(s), by law you have the right to appeal against that decision.

For residents of Sefton, who have been refused a place at a Sefton school, you will receive an information leaflet with the decision letter, explaining the appeals process. The leaflet is also available on the School Admission Appeals webpage at www.sefton.gov.uk/admissions. If you wish to appeal for a school outside of Sefton, you should contact the relevant Local Authority where the school is located. Contact details for neighbouring Local Authorities can be found on page 15 of this booklet.

If you do not reside within Sefton, but wish to appeal for a Sefton school, please contact Sefton Admissions Team for further information on how you can appeal.

In respect of St Michael’s Church of England High School – please refer to the table shown on page 10 for further information.

Parents are allowed at least 20 school days from the date of notification that their application was unsuccessful for any of their preferred schools, to prepare and lodge their written appeal. Appeals are heard by an Independent Appeal Panel. In all cases you should submit your appeal to the appropriate Admission Authority. Please refer to the table on page 10, which shows the Admission Authority responsible for arranging an appeal hearing, for different types of schools.

If you have submitted an appeal, the Clerk to the Independent Appeal Panel will normally write to you directly to give you at least 10 school days* written notice of the time, date and place of the appeal hearing. In the normal admissions round, appeals will be heard within 40 school days* of the deadline for lodging appeals. For late applications appeals should be heard within 40 school days* from the deadline for lodging appeals where possible, or within 30 school days* of the appeal being lodged.

*School days refers to Sefton’s standard school term dates. Therefore, appeals are not heard during school holidays.

We encourage parents to attend the appeal hearing in person. This gives parents the opportunity to present their case, and also helps the appeal panel should they have any questions for you. Sefton publishes the number of successful and unsuccessful appeals heard for all Sefton Secondary Schools for previous academic years on the Sefton website.

Secondary School Admissions Appeals statistics for the Academic Years 2015 to 2019 are available to view on the School Admissions Appeals webpage at www.sefton.gov.uk/admissions

Catholic High Schools (Voluntary Aided)
If the Governing Body of a Sefton Catholic High School has refused your child a place, you will have the right to appeal. For Sefton residents, details of how you can appeal will be included in the decision letter sent to you. It is necessary for you to appeal via Liverpool Archdiocese, Schools Department and you can do this by requesting an appeal form online at: www.liverpoolcatholic.org.uk/schools/Appealing-For-A-School-Place. The Archdiocesan Schools Department will confirm the time, date and place of your hearing once it has been arranged.

In respect of Maricourt Catholic High School only, arrangements for you to appeal can be made by writing to the school directly: Maricourt Catholic High School, Hall Lane, Maghull, Liverpool L31 3DZ; email: hunterm@maricourt.net.
Admission Appeals Information
Applications for Primary School (Reception Year)

If you are refused a place at any of your preferred school(s), by law you have the right to appeal against that decision. For residents of Sefton, who have been refused a place at a Sefton school, you will receive an information leaflet with the decision letter, explaining the appeals process. The leaflet is also available on the School Admission Appeals webpage at www.sefton.gov.uk/admissions. If you wish to appeal for a school outside of Sefton, you should contact the relevant Local Authority where the school is located. Contact details for neighbouring Local Authorities can be found on page 15 of this booklet.

If you do not reside within Sefton, but wish to appeal for a Sefton school, please contact Sefton Admissions Team for further information on how you can appeal.

Infant Class Size Appeals
Government legislation requires that any Reception, Year 1, or Year 2 class should not contain more than 30 pupils with a single qualified school teacher. The Authority will refuse admission to any child, except in certain limited circumstances, if admitting the child would take the class over the limit of 30 children. An appeal against such a decision can only be allowed if the Appeal Panel is satisfied that either:

- The decision to refuse admission was not one which a reasonable admission authority would have made in the circumstances of the case; or
- The child would have been offered a place if the Local Authority’s admission arrangements had been implemented properly.

In this context, ‘reasonable’ has the legal meaning of ‘not perverse’, therefore the threshold for finding that an Admission Authority’s decision to refuse admission was not one that a reasonable authority would have made, is high, and must be:

‘Beyond the range of responses open to a reasonable decision maker or a decision which is so outrageous in its defiance of logic or of accepted moral standards, that no sensible person who had applied his mind to the question could have arrived at it’.

Appeals are heard by an Independent Appeal Panel and parents are strongly encouraged to attend the appeal hearing in person to present their case.

With such appeals, the Appeal Panel will simply hear the Admission Authority’s explanation as to why a place has been refused followed by your reasons for saying that the appeal should be allowed on one of the grounds referred to above before making their decision.

Parents are allowed at least 20 school days from the date of notification that their application was unsuccessful for any of the preferred schools, to prepare and lodge their written appeal.

In the normal admissions round appeals will be heard within 40 school days* of the deadline for lodging appeals. For late applications appeals should be heard within 40 school days* from the deadline for lodging appeals where possible, or within 30 school days* of the appeal being lodged.

If you have submitted an appeal, the Clerk to the Independent Appeal Panel will normally write to you directly to give you at least 10 school days* written notice of the time, date and place of the appeal hearing.

*School days refers to Sefton’s standard school term dates. Therefore, appeals are not heard during school holidays.
For all Sefton Community, Voluntary Controlled Faith Schools and St Andrew's Maghull CE Primary -
You should submit your appeal to Sefton Local Authority.

For Sefton Voluntary Aided Catholic Primary Schools - it is necessary for you to appeal via Liverpool
Archdiocese, (Schools Department) and you can do this by requesting an appeal form online at: www.liverpoolcatholic.org.uk/schools/Appealing-For-A-School-Place.

For Sefton Voluntary Aided Church of England Primary Schools (including Church of England Academy
schools) - appeals should be sent to the Chairperson of the School's Governing Body c/o the school in
question.

To help you make an informed decision as to whether you want to proceed with an appeal for a reception
school place, Sefton publishes the number of successful and unsuccessful reception appeals heard for
all Sefton Primary Schools for previous academic years.

Primary School Admissions Appeals statistics for the Academic Years 2015 to 2019 are available
to view on the School Admissions Appeals webpage www.sefton.gov.uk/admissions

If my appeal for a Sefton School is unsuccessful can I appeal again?

If your appeal is refused, you do not have the right to a second appeal for the same school during the
same academic year unless, in exceptional circumstances, the Admission Authority accepts a second
application from the appellant because of a significant and material change in the circumstances of the
parent, child or school. Examples of a significant and material change in circumstances may include:

   a) If a sibling link has been created at the preferred school, which was not there at the time of the
      appeal hearing.

   b) You have moved house and the Admission Authority accepts that you can no longer attend the
      existing school due to the distance.

You may, of course, also request a further appeal to be heard if there are other significant reasons which
you feel should be taken into account and these will be given due consideration. If a request for a further
appeal is considered and allowed, a fresh appeal may be heard. However, if a request for a further
appeal is denied by the Admissions Authority no further appeal can take place in the same school year.

As indicated on page 21, for any further appeals relating to infant classes, the appeal panel may only
grant an appeal if the Admissions Authority has either acted unreasonably, or made an error in the way
places were allocated. This is to ensure that the limits placed on infant class sizes are maintained, in
accordance with current legislation.

To request a further appeal, please write to the Admissions Authority who refused the original appeal.
Please refer to the table shown on page 10 for further information.
Frequently Asked Questions about your application

How many schools can I list?
You are advised to list three schools. As each school listed counts as a separate application, you are increasing your chances of being offered a place at one of these schools.

In which order should I list the schools?
It is important to list the schools in priority order, with your most preferred school at the top. If we can offer you a place at more than one of your preferred schools, we will automatically offer you the place at the school you listed higher or highest.

Please note
- Listing just one school on your form does not improve your chances of getting a place at that school
- There is no advantage in listing the same school more than once because we can only process one application per child per school, and you are therefore wasting a preference
- The applications are entered onto a database, which processes the criteria and allocations automatically
- School staff are not involved with this and do not influence results

How do you deal with applications from twins or children from multiple births?
Please complete an application form for each child. If you apply online the process will be quicker as you will only have to enter parental details once. Where there are twins or children from multiple births, and one of the children has been allocated the last remaining place at a school, the other twin or siblings will also be admitted.

My child attends the school nursery, does this mean my child will automatically be admitted to the Primary School?
NO, attendance at a Primary School’s nursery is not linked to admission into the reception class in any way and will not guarantee a place in the Reception class at the school.

Each application for a place in reception is assessed against the individual admissions criteria for the school. Therefore, any nursery provision previously attended by your child will not be considered at all.

Where schools have a nursery class attached, parents should be aware that separate admission arrangements are in place for entry to the school. Completion of an ‘Expression of Interest’ form for a Primary school, or a nursery application form or giving any personal details to a nursery, DOES NOT count as any type of admission application for a place in Reception.

How do you define a sibling? Please see glossary for full definition (pages 33 & 34).

My child has an Education, Health and Care Plan: How do I apply?
If your child has an Education, Health and Care Plan that names a particular school, your child will be admitted to that school. This is a separate process from applying the admissions criteria and is handled by the Special Educational Needs (Assessment, Resource and Provision Planning) Team. The Team will inform the School Admissions Team of the outcome of any decision made.

How do I let you know my child is looked after or was previously looked after?
You should tick the appropriate box on the application and provide the contact details for the social worker involved with the family.

How do I confirm that I wish for my child to be considered under the ‘Children of Staff’ admission criteria (if applicable to the school)?
You MUST clearly state this on your application by providing the name of the school employee. If you do not provide the name of the employee on your application form, the Local Authority may not be able to consider your application under this criterion, for the relevant school.
Frequently Asked Questions about your application

What happens when the number of applications received is less than the School’s admission number?
If a school has more places available, than the number of applications received, all children who applied would be offered a place at that school.

What happens when the number of applications received exceeds the School’s admission number?
Whilst we do all we can to meet parental preferences, it is not always possible to do this. If more parents express a preference for the school than there are places available (i.e. the admission number), the Admissions Authority will use the school’s admissions criteria to decide which children can be offered a place. The Local Authority can only offer places at any school up to the school’s individual published admission number.

For Voluntary Aided and Academy Faith Schools (except St Andrew’s Maghull CE Primary):
If more parents express a preference for the school than the admission number, the Governors of the school will apply the school’s admissions criteria to decide which children can be offered a place and they will let the Local Authority know their decisions.

What happens if my application is late?
Please read the information on pages 16 & 17.

What happens if you cannot offer any schools that I list?
If we cannot offer your child a place at any of the schools listed on your application, by law, the Local Authority must still offer you a place at another school. You will normally be offered a place at the nearest qualifying school with a place available. A qualifying school is the school closest to your home. This can be a community, voluntary controlled, voluntary aided or Academy school and includes a single sex school.

How do I appeal for a school place?
Unless you have been offered a place at your highest preferred school you will be informed of your right of appeal and how to appeal in your offer letter. Please see pages 20-22 for more detailed information.

As distance from home to school is used as an admission criterion, how do you measure the distance from my home to the school?

1) The distance is determined in every case by measuring the shortest walking distance from the child’s home. We measure from the property’s address point, to the nearest school gate (using recognised routes known to the Local Authority at the time of measurement).

2) We measure using the Local Authority’s computerised measuring system which uses LLPG (Local Land and Property Gazetteer) data.

3) The system uses recognised routes within the software, known to the Local Authority at the time of measurement, that are considered capable of being used by a child (accompanied as necessary by a parent or guardian).

   Websites which provide a distance measuring facility do not measure home to school distances by our definition

4) If you are refused a place at any of your higher preferred schools and you would like an explanation of how the distance from your home to school has been measured please contact the Admissions Team who can provide you with further details.

Further information relating to recognised routes used by the Local Authority can be found in Section B on page 27.
Is my child eligible for a travel pass or assistance with the transport costs from home to school? Home to School Transport arrangements and eligibility criteria are summarised below. Full details of Sefton’s Home to School Transport Policy can be found at www.sefton.gov.uk/schooltransport

SECTION B

Home to School Transport Eligibility and Arrangements
Sefton’s general arrangements and policies about transport to and from schools other than special schools are set out below. We make no arrangements for transport to and from Independent schools, other than for pupils who we place in non-maintained special schools.

Sefton will meet the travelling expenses of pupils who go to school full time by providing either a Solo/Trio ticket or an Arriva bus ticket (or equivalent) for eligible children.

Statutory regulations (where the Local Authority must provide transport and travelling expenses for primary age children)
Sefton will meet the travelling expenses of pupils who go to school full time by providing transport or a travel pass for Primary School pupils in the following three categories:

- Where a pupil under eight years old is attending the nearest qualifying school with places available where the shortest walking distance between home and school is more than 2 miles.
- Where a pupil is eight years old and over and is attending the nearest qualifying school with places available where the shortest walking distance between home and school is more than 3 miles.
- All Primary aged pupils (8 -11 years) who are attending their nearest qualifying school with places available where the shortest walking distance between home and school is more than 2 miles and the family is in receipt of Free School Meals or the maximum level of Working Tax Credit.

Statutory regulations (where the Local Authority must provide transport and travelling expenses for secondary age children)
Sefton will meet the travelling expenses of pupils who go to school full time by providing transport or a travel pass for Secondary School pupils in the following three categories:

- Where a pupil is attending the nearest qualifying school with places available (including the appropriate denominational school) where the shortest walking distance between home and school is more than 3 miles and the family is not in receipt of the benefits listed below*;
- Where a pupil is in receipt of *Free School Meals or whose parents/carers are in receipt of the *maximum level of Working Tax Credit and they are attending one of the three qualifying secondary schools closest to their home, where the shortest walking distance to the school is between 2 and 6 miles from their home; OR
- To the nearest school preferred by their parents/carers on the grounds of religion or belief, and the shortest walking distance to the school is between 2 and 15 miles from their home address.

Qualifying school for transport eligibility

Eligibility for transport is not automatically linked to a school’s individual admissions criteria e.g. if a child is admitted to a high school because they attended a feeder school, this does not necessarily mean the child can be considered as eligible for transport.

In general, the qualifying school for transport purposes will be the school closest to your home, if you do not live in a catchment area.
If you live in an identified catchment area for a school (e.g. Meols Cop High School), that school will be considered as your child's qualifying school for the purposes of transport eligibility.

If your child is attending a Voluntary Aided or Voluntary Controlled faith school which is of your family's own religious denomination, usually the qualifying school for transport is the one which serves the Parish where you live.

In some circumstances, the Local Authority may ask for additional information e.g. a letter from the appropriate minister of religion. This is because the Local Authority must establish admission on the grounds of faith, in order to confirm that the school is the qualifying school for transport eligibility.

Once a qualifying school is established, the eligible distance criteria will then be applied.

For families in receipt of Free School Meals or the maximum level of Working Tax Credit, the 3 nearest schools to your home will be considered as your 3 qualifying schools (irrespective of Local Authority Boundaries or faith).

For families in receipt of Free School Meals or the maximum level of Working Tax Credit, who are attending a school on the grounds of faith, the qualifying school will be the closest faith school to where you live (irrespective of Local Authority Boundaries). Once a qualifying school is established the relevant distance criteria will then be applied.

If you live in Hightown or Ince Blundell areas

For primary school pupils, transport is provided by the Local Authority, without charge, as follows:

- between Hightown, Ince Blundell and St Mary's Catholic Primary School, Little Crosby
- between Ince Blundell, Hightown and Formby Primary Schools

If you live in Aintree or Melling Parish / local area of Waddicar

There are currently local agreements for residents of Aintree & Melling parishes and the Waddicar local area which include criteria for home to school transport with regards to qualifying secondary schools linked to catchment areas and/or the safety of walking routes. In most cases the statutory distance criteria is still applied. Please note that residents of these areas (who live outside of the Deyes High School Catchment Area) are considered as either resident in the catchment area for Maghull High School (or Maricourt Catholic High School on the grounds of faith).

Additional support Sefton Local Authority provides:

Sefton Local Authority may also pay travelling expenses in the following circumstances:

a) If our medical advisers recommend the child goes to a particular school for special medical reasons

b) If a pupil continues attending a school after the family has left the neighbourhood of that school

In most circumstances we will not pay travel expenses if you choose to keep your child at that school. In general, we will only accept the school the child attended before the change of address, as the qualifying school, if a pupil has already started in Year 6 or Years 10 & 11, and meets the statutory distance criteria. This will only apply if the distance or time taken to travel to the school is not regarded by the Local Authority as excessive and harmful to the pupil. The child must have moved house once they have already started school in Year 6, or Years 10 & 11 (i.e. not moved house during the summer holidays beforehand).
Other situations where your child travels further than the statutory distances, not covered above
We will consider these cases on an individual basis. Evidence of exceptional circumstances may be required before consideration can be given.

Circumstances when a travel pass/transport would not be provided

There is no entitlement to school transport when parents/carers choose to send their child to a school other than the nearest qualifying school (except where the school has been recommended by the Local Authority medical advisers).

Routes for children living within the statutory walking distances from home to school
This applies to:-

Pupils who attend a qualifying school and live less than the statutory walking distances, and whose parents apply for us to pay the cost of transport to school.

When considering whether to pay transport costs, we will consider the age of the pupil and the nature of the route or alternative routes, along which he or she could reasonably be expected to walk to school, accompanied as necessary by a parent or guardian. If we consider that a child cannot use a route on their own, we will take account of whether or not there are any circumstances, which prevent it from being reasonably practical, for the child to be accompanied.

However, we will normally consider a route which involves any of the following features as being suitable for a child to use if he or she is accompanied by a parent or carer.

1) Crossing any main road (for example, a dual carriageway or trunk road) where there are one or more of the following:
   • A school crossing patrol
   • A pelican crossing
   • A pedestrian crossing
   • Traffic lights
   • A pedestrian footbridge
   • A subway
   • A police officer, traffic warden or other responsible adult (for example, a parent or teacher)

2) As long as the road is maintained by the Local Authority; all unclassified roads (that is, roads which are not A, B or C roads) are regarded as being safe to cross even if there are none of the facilities named in 1)

3) The presence of a pavement in a built-up or rural area

4) The presence of street lighting on a route in a built-up or rural area

5) As long as the area is maintained by the Local Authority; the use of appropriate passageways which are properly paved and lit

This policy applies throughout the year as public lighting is altered to meet the changes in daylight hours.

We will not normally consider a route which involves any of the following as suitable for a child to use:

   • Any pathway not maintained by the Local Authority e.g. privately owned land
   • Paths on canal banks for a child of any age
   • Footpaths in rural areas will not be regarded as being safe without detailed investigation
   • A road system on the approach to a motorway
Sustainable Travel & Transport to and from School

Sefton Council promotes the use of sustainable travel and transport to and from school by:

- encouraging every school to develop a travel plan;
- promoting and assisting schools to run travel to school reward schemes, including: Walk to School week, Walking Buses, car sharing and prevention of inconsiderate parking around the school gate;
- continuing to develop the safer routes to school programme which aims to build a safer environment for children walking, cycling and travelling by school transport to and from school.

Sefton Travel Team has developed a mobile journey planning app ‘Sefton Travel’ to promote sustainable travel choices in Sefton. This has a particular focus on improving access to education and employment opportunities by public transport, walking and cycling. It is available to download for free for iOS devices. Features of the app include:

- Plan your journey
- Share your location
- Listen to voice alerts
- Save your favourite locations for journey planning on the move
- Count your steps and set daily targets
- Customise your playlist
- Get information and find out how to get to key facilities in Sefton such as schools.

For further details on travelling to school please visit [www.activetravelsefton.co.uk](http://www.activetravelsefton.co.uk) or Merseytravel’s website: [www.merseytravel.gov.uk](http://www.merseytravel.gov.uk).

Payment of Transport/Travelling Expenses

Travelling expenses are usually given in the form of an annual travel pass e.g. Solo/Trio Ticket or Arriva bus ticket, where this is cheaper than a separate payment for each journey (unless stated otherwise).

- All families should adopt the most economic method of travelling.
- The Local Authority’s responsibility to pay travelling expenses will be in respect of one journey each way for each date on which the pupil attends school.
- The Local Authority sometimes authorises private arrangements with a parent/carer to enable a child to travel to and from school. In these circumstances claims may be made within the amount equivalent to the cost to the Authority of a travel pass by public transport. Payments will be made termly in arrears.

The Local Authority does, in some cases provide transport for young people aged over 16 who have an Education, Health and Care Plan or Special Educational Needs. The details for this are included in the Sefton Post 16 Transport Policy Statement at [www.sefton.gov.uk/schooltransport](http://www.sefton.gov.uk/schooltransport).

You will be required to provide evidence of the house move with your application form.

Fair Access Protocol
By law, each Local Authority must have and implement an Admissions Fair Access Protocol. The Fair Access Protocol applies to applications made outside of the normal admissions round and it supports unplaced children and families who have difficulty in accessing a school place or appropriate provision.

The Admissions Team may refer an application for a school place to Sefton’s Fair Access Panel, who will review applications and recommend admission to a school or appropriate provision. As the panel meets regularly, this allows a recommendation regarding a school place or relevant education provision, to be made quickly.

Some examples of applications for school places that would be referred to the panel are:

- Pupils in Years 10 and 11 who have moved into the area;
- Children with Special Educational Needs and Disabilities or medical conditions (but without an Education, Health & Care Plan);
- Children who have been out of education for two months or more;
- Children who have been permanently excluded from school;
- Children whose parents have been unable to find a place after moving to the area, because of a shortage of places.

The categories shown above are examples only, it is not designed to be a comprehensive list. Further information, including all the applications that could be referred to Sefton’s Fair Access Panel, please refer to the website www.sefton.gov.uk/schooladmissions.

You will be informed in writing if your application for a school place has been referred through the Fair Access Protocol. You will also be informed of the Fair Access Panel's decision or recommendation. If the decision of the Panel is not to admit a child to your preferred schools, you will still have the right to appeal for a place at those schools.

School Attendance
Regular attendance is essential if children are to succeed in the education system and reach their full potential. School life is not always easy and at times things can go wrong which will result in poor attendance. Sit down with your child and try to find out why he/she is not attending school. Discuss any concerns with your child’s school.
In Year Appeals Procedure (during the academic year)

You may apply for a place for your child at any school, during the academic year (normally because you have moved into the area). If your request is refused, you have the right to appeal against that refusal, to an Independent Appeal Panel. You should give written notice of your appeal within 20 school days of receiving your refusal letter. Further details will be included in the refusal letter.

In all cases you should submit your appeal to the appropriate Admission Authority. Please refer to the table on page 10 which shows the Admission Authority responsible for arranging the appeal hearing for different types of schools.

For Sefton Voluntary Aided Church of England Primary Schools (including Church of England Academy schools) - appeals should be sent to the Chairperson of the School’s Governing Body c/o the school in question. In respect of St Michael’s Church of England High School – please refer to the table shown on page 10 for further information.

For Sefton Voluntary Aided Catholic Primary & Secondary schools - it is necessary for you to appeal via Liverpool Archdiocese, (Schools Department) and you can do this by requesting an appeal form online at: www.liverpoolcatholic.org.uk/schools/Appealing-For-A-School-Place.

In respect of Maricourt Catholic High School only, arrangements for you to appeal can be made by writing to the school directly: Maricourt Catholic High School, Hall Lane, Maghull, Liverpool L31 3DZ; email: hunterm@maricourt.net.

The appeal hearing will take place within 30 school days* of the appeal being lodged. If you have submitted an appeal, the Clerk to the Independent Appeal Panel will normally write to you directly to give you at least 10 school days* written notice of the time, date and place of the appeal hearing.

*School days refers to Sefton’s standard school term dates. **Therefore appeals are not heard during school holidays.**

You will receive an appeal information leaflet with the decision letter, explaining the appeals process. The leaflet is also available on the Sefton website at www.sefton.gov.uk/admissions.

We encourage parents to attend the appeal hearing in person. This gives parents the opportunity to present their case and also helps the appeal panel should they have any questions for you.

What happens if your appeal is not successful?

If your appeal is refused, you do not have the right to a second appeal for the same school during the same academic year, unless, in exceptional circumstances, the Admission Authority accepts a second application from the appellant because of a significant and material change in the circumstances of the parent, child or school. Examples of a significant and material change in circumstances may include:

a) If a sibling link has been created at the preferred school, which was not there at the time of the appeal hearing

b) You have moved house and the Admission Authority accepts that you can no longer attend the existing school due to the distance

You may, of course, also request a further appeal to be heard by the Admissions Authority if there are other significant reasons which you feel should be taken into account. If a request for a further appeal is granted, a fresh appeal will be heard. However, if a request for a further appeal is denied by the Admissions Authority no further appeal can take place in the same school year.

If you want to request a further appeal, please write to the Admissions Authority who refused the original appeal. Please refer to the table shown on page 10.

Free School Meals & Pupil Premium
The Pupil Premium takes the form of additional funding allocated to schools based on the number of children entitiled to and registered for free school meals and children who have been looked after continuously, by the Local Authority for more than six months. The premium helps support the financial and unique challenges that children from low income households and children in care, may face at school, where they can often struggle to keep up with their peers at both Primary and Secondary level.

The schools can decide how to spend this money ‘since they are best placed to assess what additional provision should be made for the individual pupils within their responsibility’. It is therefore important that each school can claim the entire pupil funding for eligible pupils.

If your child is due to start school this year and would be eligible for Free School Meals using the eligibility criteria above, please contact the Admissions & Pupil Support Team who can ensure that the school receives the appropriate funding without the need for parents to contact the school. Your child does not have to take up their free meal entitlement to ensure that the school receives the pupil premium funding.

You can get more details and an application form from:

Amendments to the information provided in this guide

The information in this booklet relates to the school (academic) year 2020-21. We have done all we can to make sure it is accurate and correct at the time of publishing. However, the Local Authority cannot include in this booklet any changes that come into effect during the school year beginning in September 2019. We may need to make changes from time to time, due to circumstances beyond our control.
Glossary - Definitions of terms used in this booklet

The following terms used throughout this booklet are defined as follows, except where individual arrangements spell out a different definition. If you would like further clarification, please contact the School Admissions Team who are always happy to assist. Contact details can be found at the front of this booklet.

❖ **Admissions Authority** – This is the body responsible for deciding which pupils are admitted to a school. In Community Schools, this is the Local Authority (LA). In Voluntary Aided (VA) Schools, it is the Governing Body. Further information is provided on page 10 of this booklet.

❖ **Admission number** – This is the maximum number of places available at a school, in each relevant age group that can be offered by the Admission Authority.

❖ **Admissions Criteria** – This is the method used to allocate places to pupils for a particular school if there are more children wanting places than there are places available. These do vary between the different kinds of school.

❖ **Admissions Team** – LA officers who implement the admissions criteria and procedures for Community and Voluntary Controlled (VC) Schools, and co-ordinate the offers of places.

❖ **Appeal** – When it is not possible to offer a place to a child in a particular school, parents have the right to submit an appeal. An appeal hearing normally takes place some weeks later in front of an independent panel. The panel can decide that a place should be offered above the admission number.

❖ **Appeal Panel** – An independent body, usually of 3 people, who hear admission appeal cases.

❖ **Appellant** – The person who has submitted an appeal.

❖ **Brothers and Sisters or Sibling** – Includes step-children, foster children and half-brothers and sisters, adopted brothers and sisters or children of the parent/carer’s partner, living in the same family unit at the same address, who attend the school in question, as long as they will be at the school in September 2020.

❖ **Co-ordinated Scheme** – This is where the Local Authority shares and exchanges school applications with neighbouring Local Authorities in order to offer a school place.

❖ **Community Schools** – Schools which are run by the Local Authority and the LA is responsible for admissions to these schools.

❖ **Distance** – Distance will be measured (by the shortest walking route), from the child’s home to the nearest school gate. We will measure from the property’s address point, to the nearest school gate (using recognised routes known to the Authority at the time of measurement). If two or more applicants meet the distance criteria exactly (e.g. they live in the same block of flats or are exactly the same distance away from the school), the Authority will carry out a random allocation to decide which applicant will be given the place. This will be carried out in a public place with the required names placed in the box. The allocated name will be drawn out by a Senior Manager from the Local Authority.
Education, Health & Care Plan (EHCP) – A small number of children have special educational needs (SEN). In some cases, a formal document is prepared to make special educational provision to meet the needs of the child or young person and to secure the best possible outcomes for them across education, health and social care. This document is called an Education, Health & Care Plan (EHCP). There are different application and appeal procedures for pupils who have an EHCP.

Equal Preference Scheme – This means that each preference expressed by a parent for a school will be considered using that school’s individual school admissions criteria.

Local Authority (LA) – This refers to the department within the Local Authority that administers School Admissions.

Looked after Children and previously Looked After Children
1) These are children and young people (under 18) currently in the care of the Local Authority (or are being provided with accommodation by a local authority in England in the exercise of their social services functions) or are subject to a Legal Care Order sharing parental responsibility with the LA. This includes children who were previously looked after but ceased to be so because they became subject to an adoption, residence or special guardianship order.
2) A Looked After Child who appears (to the Admission Authority of the school) to have been in state care outside of England, and ceased to be in state care as a result of being adopted. A child is regarded as having been in state care in a place outside of England if they were accommodated by a Public Authority, a religious organisation or any other provider of care whose sole purpose is to benefit society.

Online admissions – Using the Sefton website to complete and submit your admissions application form.

Oversubscribed – When there are more pupils wanting a place than there are places available.

Parents/Carers – A parent or carer is any person who has parental responsibility or care of a child.

Sibling – see Brothers and Sisters or Sibling

Supplementary Information Forms (SIF) – A supplementary information form is the form used to provide faith schools with additional information (such as Baptism details). This will enable the school to consider the application under their faith criteria.

Voluntary Aided (VA) Schools – Faith schools linked to a particular Church or parish.
