

## Questionnaire

---

1. Are you generally in favour of preserving the character and appearance of the Conservation Area?

*Please circle as appropriate*

Yes                      No                      Not sure

2. Do you agree that the architectural details of properties i.e. roof materials, windows & doors are important to the character and appearance of the area?

Yes                      No                      Not sure

3. Do you agree that landscape features such as trees and hedges are important to the character and appearance of the area as a whole?

Yes                      No                      Not sure

4. Generally speaking changes to architectural details and landscape features cannot be controlled through the planning system unless an Article 4(2) is in place. Overall, are you in favour of the Article 4(2) Direction?

Yes                      No                      Not sure

5. The Article 4(2) Direction means that planning permission will now be needed for the following work (where it fronts a highway or open space), additional to normal planning controls. Please indicate in the table below which aspects you believe should be controlled in order to preserve the area's character

Indicate with a tick

New / altered architectural features including windows & doors	<input type="checkbox"/>
Alterations / removal of chimneys	<input type="checkbox"/>
Alterations to roof materials	<input type="checkbox"/>
Alterations to roof slopes (e.g. rooflights/parapets/inset balconies)	<input type="checkbox"/>
Porches	<input type="checkbox"/>
Demolition, alteration & construction of fences/walls or other means of enclosure (not including hedges)	<input type="checkbox"/>
Forming of hard surfaces (including on verges)	<input type="checkbox"/>
Painting of any exterior feature (other than maintenance)	<input type="checkbox"/>

Continues over page.....

6. If you have indicated that you are not in favour of any of the above items, please give reasons below. Continue on a separate sheet if necessary.

7. Do you think any additional controls are needed to preserve the area's character? Such as:

Indicate with a tick

Alterations at side of properties	<input type="checkbox"/>
Alterations /extensions at rear of properties	<input type="checkbox"/>
Any other work? Please state below	<input type="checkbox"/>

Please supply your Name, Address & Telephone number
