Dear Ms Edwards,

Please find attached photos of AS17, The Peel/Switch Island site, taken on 26 Dec 2015, clearly showing that this site is indeed a Flood plain and if concreted over would cause considerable damage to the surrounding areas. Please could you forward them to Mr Pike for his perusal. May I also bring to your attention the fact that on this same day 3 lanes of the M57 near to Switch Island were closed due to flooding. I have Merseyside Police confirmation of this.

Kind Regards,

Christine Glover
