

Learning guide - Learning Safely with Sefton Community Learning Service

We are committed to keeping learners and staff safe during the current situation.

All our learning centres have been risk assessed and are Covid-Secure.

We expect all learners to respect others and to follow the guidance below:

- Do not enter any of our premises if you feel unwell, have a high temperature or any symptoms of cough or cold, however mild

- You must arrive on time for your class. We are staggering start times to minimise congestion in public areas and can only admit you to the centre at your agreed time.

- Facemasks are not required in our classrooms, but are required in Reception, stairways and other public areas. Facemasks will be available if you forget to bring yours. If you are in a high-risk category, you may wish to wear your mask in the classroom.

- You must wash or sanitise your hands when arriving at the centre and use the hand sanitiser which is provided in each room.

- You will need to bring your own pens and equipment, as we cannot provide these for you.

- You will need to bring your own refreshments as break areas will not be available.

- You will be given a pack with all the course materials and handouts you will need for your course. You must bring this with you to every session.

- You must respect social distancing markers and guidance in our premises.

Site rules

Do not enter
if you feel
unwell

Anyone who has been in contact with a person infected with Covid-19 is not permitted on site
