Subject: RE: Community Infrastructure Levy - Preliminary Draft Charging Schedule

Dear Sir/Madam,

Thank you for notifying National Trust of this consultation. We also note the parallel consultation in respect of the Practice Note relating to on-site affordable homes.

At this stage National Trust has no particular comments that it wishes to put forward, albeit it has noted the schemes in (and excluded from) the draft Section 123 list – including those pertinent to its interests in respect of the Trust's land holding at Formby. We would be pleased to be kept advised of progress with the Council's CIL work and to continue to be notified accordingly.

Regards,

Alan Hubbard

Dear Sir or Madam

Please find attached a letter inviting comments to our Preliminary Draft Charging Schedule for the Community Infrastructure Levy.

We are also consulting on a Practice Note which sets out how we would calculate financial contributions in lieu of on-site affordable homes.

As the letter states we are accepting comments until **Friday 15 July 2016**

Apologies if you have already received this notification
