AUTUMN 2026

Creative Industries/Health & Wellbeing

Digital Skills

Education and Training/Employability

English, Maths & ESOL

Family Learning

Construction

Develop new skills to support your life and work — and build renewed confidence.

Unlock your Potential with Sefton Community Learning Service!

We are proud to be funded by the Liverpool City Region Combined Authority (LCRCA) to deliver exciting learning opportunities for adults aged 19+ across the region.

Whether you are looking to boost your skills, build confidence, or take the next step in your journey - we've got something for you!

Why Learn with Us?

Inspiring Courses

Explore a wide range of engaging courses designed to help you grow, thrive, and succeed.

Expert Tutors Who Care

Our passionate, qualified tutors bring energy and expertise to every session. They are here to support you every step of the way.

Tailored Support

Need a little extra help? We offer personalised support, resources, and reasonable adjustments for learners with disabilities or additional needs.

We will offer you confidential and impartial Matrix accredited information, advice and guidance (IAG) throughout your learning journey. This includes:

- Impartial advice to identify the right course for you and setting of suitable learning targets
- Advice and support to overcome barriers to learning
- Impartial information, advice and guidance (IAG) about progression opportunities. This includes information of further learning opportunities within our Service or with other learning

providers, or to move onto paid employment or volunteering

- Details of organisations that can provide you with specialist impartial IAG

Financial Help Available

You might be eligible for help with transport and stationery costs if you are:

- Aged 19 or over
- Studying a Level 3 qualification or below
- Experiencing financial hardship (proof of low income may be required)

Just ask your tutor at the start of your course for details!

Our Learning Centre

Step into a modern, welcoming space equipped with:

- Free internet stations and adjustable tables
- Accessible facilities
- An Immersive Interactive room to enhance your learning experience

Autumn 2026 Course Fees – Learn More for Less!

GREAT NEWS - many of our courses are completely FREE!

Even better we are excited to introduce a new pricing offer: every course is now available for either **FREE or just £10** (including follow-on courses), helping you keep learning for less. Conditions may apply. Classes fill up quickly. Don't miss out!

Please note: Returning learners can't re-enrol on courses they have already completed - but there are plenty of new options to try!

Explore Our Courses

ESOL, English & Maths

Build essential skills for everyday life and work.

Courses available from Entry Level to Level 2 - perfect for all learners!

Creative Industries, Health & Wellbeing

Short, inspiring courses designed to help you learn something new, build your confidence, and improve your wellbeing.

Digital Skills

Learn how to use digital tools for life, work, and more - and prepare to progress to a recognised qualification. Free Microsoft Office 365 available on selected courses.

Education & Training

These courses help you develop the skills employers are looking for, improve your job prospects, and even prepare you for promotion.

Some courses have entry requirements.

Family Learning

Fun and practical courses for parents, grandparents, guardians, and carers.

Learn independently or alongside your children (WFL) to support their physical, social, literacy and numeracy development.

Construction and DIY

These practical courses help you develop hands-on skills, improve your job prospects, and build confidence. Some accredited courses require initial assessment.

Important Information

We have worked hard to make sure this course listing is accurate and up to date.

However, Sefton Community Learning Service reserves the right to revise, change, postpone, or cancel courses if needed.

Our learners are making a difference

Our group has been working hard alongside the charity Knit for Peace, creating knitted squares that are carefully joined together to make warm blankets for people.

As well as building their knitting skills, our learners are giving back to the community, sharing kindness, creativity and care.

These courses are a great stepping stone to accredited qualifications!
See page 9

Building Skills for Construction Careers

Many young people entering the construction industry lack:

- Basic site safety knowledge
- Understanding of waste management and sustainability
- Hands-on experience in a construction trade

This course bridges the gap between education and employment.

On successful completion, learners will gain:

- Level 1 Award in Health and Safety in a Construction Environment
- Level 1 Award in Recycling and Waste Management
- Level 1 Award in Bricklaying Skills or Joinery Skills

This is a practical 13-day course for 18–25 year olds preparing for careers in construction. Gain 3 qualifications, a CSCS card, and a FREE toolkit on successful completion.

See what Ethan had to say about the Level 1 Award in Building and Construction course:

Since the start of the course, I feel like I have gained a better knowledge of Health and Safety. I have also built new knowledge on waste management, including the different types of waste. This course has built my confidence in the knowledge I will need. I believe we have been taught on a top level, and the work has been presented in the best possible way, as our tutor has a strong knowledge of the subject.

COMING SOON

BEACH SCHOOL

An exciting new pilot project bringing learning outdoors to Sefton's coastal environment.

Designed for families, it offers a relaxed and supportive way to build confidence, wellbeing, and essential skills through hands-on, nature-based activities without the pressure of exams or classrooms.

Beach School is the perfect first step to help you reconnect with learning and explore new opportunities.
