

Dear Care and Support Provider,

Care and Support Provider Update 5th May 2020

Please note that we are regularly updating the Care Providers page on the Sefton Council website with information for the public domain. <https://www.sefton.gov.uk/social-care/adults/adult-social-care-providers.aspx>.

NEW – Financial Support Letter and Template

In the letter sent yesterday to you we mentioned that the Local Authority and NHS Southport and Formby and NHS South Sefton were developing a template for you to record additional costs you are incurring as you are responding to the COVID 19 crisis. A letter from Executive Director for Adult Social Care and Health and the CCG Chief Officer is included in this update outlining the further steps being implemented around additional support and a simple template for you to complete and submit by Friday 15th May 2020.

**These are on the webpage as separate items in the care home updates section.*

PPE Emergency Supplies Update

Due to the improving picture on PPE supply we have experienced a reduced demand for PPE emergency supplies over the weekend and therefore are proposing we move back to a Monday to Friday Service from this week (with a 10 – 2 offer for the Friday 8th Bank Holiday). Please do continue to submit requests to EmergencyPPE@sefton.gov.uk for weekday collections.
