Our beaches

Care should be taken on beach litter picks not to disturb driftwood or other debris that the toads and other species shelter under during daylight hours.

Finally if you are visiting the Sefton coast this summer please remember that BBQs, fires and camping are not allowed, and please take your litter home with you.

Respect, protect and enjoy the Sefton coast.

Get involved!

Walking is an excellent way to make short journeys and enjoy getting out and about in our area, which offers a wealth of open spaces to explore.

It's healthy, convenient, cheap, environmentally friendly, sustainable, and fun!
