

# Greener, Leaner, Cleaner update

Sefton has many routes ideal for walking. Helpful maps and route descriptions are available, designed to enable you to discover the area's fascinating history and wonderful flora and fauna. All the trails are clearly signposted or waymarked and most are suitable for all ages and abilities.

Visit [sefton.gov.uk](https://sefton.gov.uk) for more info

The Council is here to help all our residents to access the right advice and support to reduce their fuel costs.

If you own a property in England or Wales you can get recommendations for home improvements that could make your property cheaper to heat and keep warm.

For each recommendation you can see:

- An estimated cost of making the improvement
- How much you could save on your bills
- Next steps if you want to make the improvement

Energy Saving Trust is an independent organisation – working to address the climate emergency. A respected and trusted voice on energy efficiency and clean energy solutions, we continue to work towards a smart, decarbonised, decentralised energy system.

- We empower millions of householders every year to make better energy choices.
  - We deliver transformative energy programmes working with governments.
  - We support businesses with energy efficiency strategies, research, assurance and communications, enabling them to play their part in building a sustainable future.
- Energy Saving Trust – be part of a positive change.
